

Residents Who Missed the Post Office Plaza Community Visioning Session can Complete Public Surveys Online

A community visioning session was held on June 15th for the public to provide their input and comments on what they would like to see redeveloped in the downtown. Topology, the planning firm, created public surveys for the visioning process. Residents who missed the community visioning session can complete the surveys online.

Survey 1: [Building design and architecture preferences for downtown Chatham](#)

Survey 2: [Housing](#)

Survey 3: [Retail business preferences for downtown Chatham](#)

Topology will gather the responses to the surveys, along with public comments, and will present a report to the Mayor and Council in the fall. More information on the Post Office Plaza Investigation and Planning Study can be found on the [Borough website](#).
