

March, 2016

Dear Friend,

Chatham Spring Clean 2016 is right around the corner on May 7, 2016. In case you have missed it, this is the 4th year Chatham volunteers will be coming out in full force to clean our green spaces, replenish mulch, maintain our gardens, remove trash and showcase our beautiful business district planters. What started as a small, grass-roots effort by a handful of volunteers has developed into a day where on every corner of our downtown area there is evidence of our deep-rooted community pride and ownership of our responsibility to our environment.

Chatham is the town we live in and do business in. It is where we shop, where we work, where we go to school. It is where we choose to raise our families. Our town is a reflection of who we are and Spring Clean is the opportunity we have to work together to improve it.

Please join us in our celebration of Chatham Spring Clean 2016! Kindly consider volunteering on May 7th- it takes a lot of hands to complete the job! Every pre-registered volunteer (over 325 strong last year) gets a Spring Clean 2016 t-shirt to wear on that day.

If you are unable to participate, please show your support by sponsoring the event. For a minimum pledge of \$250, financial sponsors will be listed on the back of the Spring Clean 2016 t-shirt worn by all volunteers. Sponsors will also be listed in press releases and advertisements regarding the event.

Together we can make Chatham Spring Clean 2016 a great success. We hope to see you there!

Sincerely,
Mary Keselica

JOIN US!

MyChathamNJ Spring Clean Committee is hosting the fourth annual "Spring Clean", a Borough wide beautification day where volunteers help clean, mulch, plant and improve Chatham's parks, business districts and other public spaces. This event fosters pride, volunteerism and community spirit and promotes the need for shared responsibility in beautifying and maintaining our town

Although volunteers help us with town wide improvement projects, individuals, businesses and organizations are needed to pledge their support as well. Would you be willing to volunteer? With over 325 volunteers last year, we expect this event to be increasingly successful. We ask that you match and surpass last year's achievements. The event is funded by private donations.

Any individual, group or business pledging \$250 or more will be recognized as an official event sponsor and will have their name printed on the back of event T-shirts, which will be distributed to the first 250 pre-registered volunteers.

You are an important part of our team and your help, both as a volunteer on May 7th, from 8am to 1pm and as a financial sponsor of this event, is essential to its success. Pre-registration is necessary so that we may represent your generosity on the back of the annual Spring Clean T-shirts. The deadline for T-shirt sponsors is April 8th.

Thank you for your continued support to Chatham Borough. We hope to see you on May 7th!

Kind Regards,
Janice R. Piccolo
