

Announcement No. 65

Chatham Borough Health Officer reported that eight (8) residents have tested positive (September 1–9) for the COVID-19 virus for a total of 356* positive cases year-to-date and a total of 601* positive cases from the start of the pandemic. This periods cases include residents whose ages range from 3 years of age to eighty-six years of age. 0 residents whose age is not available, 2 residents 11 years of age or under, 0 residents is 12 to 20 years of age and 6 residents are 21 years or above in age.

During the period September 1-9 there was one (1) death for a total of eleven (11) Covid-19 related deaths since the start of the pandemic. Chatham Borough Mayor Thaddeus Kobylarz and the Borough Council extend their deepest, heartfelt sympathy and condolences to the family during this very sad time. May God rest this soul as we stand in solidarity again and prayer in mourning this painful loss.

We are encouraging parents, teens, children, and business owners to continue their responsible approach to slowing the spread of Covid-19 by:

- Wearing masks whenever you feel the need to
- Washing/sanitizing hands often
- Disinfecting frequently touched surfaces
- Staying home if you do not feel well

Please continue to do your part for the sake of your family, friends, and your community!

We will continue to share information on this and other cases when appropriate. For more information on COVID-19, please visit www.chathamborough.org, [CDC](https://www.cdc.gov) or [covid19.nj.gov](https://www.covid19.nj.gov) .
