**RESOLUTION #13-89**

**RESOLUTION OF THE BOROUGH OF CHATHAM SUPPORTING ASSEMBLY, NO. 3393 CLARIFYING VERIZON'S RESPONSIBILITY TO REMIT BUSINESS PERSONAL PROPERTY TAXES TO MUNICIPALITIES**

**WHEREAS**, in 1997, at the request of incumbent utilities, the laws regarding State taxation of telecommunications corporations were amended in response to technological and market innovations, in order to increase competition; and

**WHEREAS**, the amendments sought to preserve revenues to local governments by providing that local exchange telephone companies subject to the New Jersey Franchise and Gross Receipts Tax on April 1, 1997 would continue to be subject, annually, to the Business Personal Property Tax (BPPT); and

**WHEREAS**, the statute defines local exchange companies as those telecommunications carriers "providing dial tone and access to 51% of a local telephone exchange"; and

**WHEREAS**, Verizon's self-serving interpretation of the statutory definition has led it to claim exemption from the BPPT in any municipality where the corporation unilaterally determines, in any given year, that it no longer supplies dial tone and access to at least 51% of the local telephone exchanges; and

**WHEREAS**, Hopewell Borough's challenge to that claim was upheld by the Mercer County Board of Taxation in 2009; and

**WHEREAS**, Verizon's appeal of that determination to the Tax Court resulted in a June, 2012 trial court decision accepting the corporation's self-serving interpretation of the law; and

**WHEREAS**, as things now stand, over 100 municipalities know that they enter 2013 without BPPT revenues that will cost property taxpayers will in excess of \$8 million and, unless matters change, more municipalities will lose millions more in the future; and

**WHEREAS**, remedial legislation, docketed as Assembly, No. 3393 has been introduced by Assemblyman Ralph Caputo, which will clarify the perceived ambiguity of the statutory definition to further implement the original legislative intent to preserve revenues to local governments; and

**WHEREAS**, Senator Bob Smith intends to introduce companion legislation as soon as the Senate is scheduled to convene.

**BE IT RESOLVED**, that the Borough of Chatham, in the County of Morris and State of New Jersey as follows:

1. The Mayor and Council of the Borough of Chatham commend Assemblyman Caputo and Senator Smith for their insight to introduce corrective legislation known as Assembly No. 3393, and strongly supports these measures, which would clearly identify the telecommunications carriers subject to taxation on their business personal property and remove the budget uncertainty caused by Verizon's obfuscation.
2. That certified copies of this resolution shall be transmitted to Governor Christie, General Assembly Speaker Sheila Oliver, Senate President Stephen M. Sweeney and members of the Morris County Legislative Delegations in Districts 25, 26 and 27, the Executive Director of the New Jersey League of Municipalities.
