## SINGLE-STREAM all-in-one RECYCLING

The Morris County Municipal Utilities Authority "all-in-one," single-stream recycling collection program allows cans, bottles, cardboard and all other paper to be mixed together for recycling. All of these items can go into one recycling container.

### IMPORTANT

- All items must be empty, dry, and free of food residue.
- Recycling containers must not exceed 50 pounds. 32-gallon containers are recommended.
- Only use plastic bags for shredded paper. All other material must be loose in a container, not in a bag.
- Do not tie cardboard or newspapers, put them in reusable containers loose, or stack folded boxes into one box.
- Label your recycling containers with free decals from your town or the MCMUA.
- If necessary, use multiple recycling containers. Containers must have handles. Lids are strongly recommended.
- Put all Styrofoam into the trash; it's coded #6 and is not acceptable in this program.

### Paper Cardboard
